This quaint 1-level log home brings back feelings of yesteryear, yet is close to all the modern amenities of Gig Harbor. Tensions melt as you drive through the simple gate to a 3 BR home nestled on 1/2 acre.

A pellet stove adds cozy warmth to the great room & kitchen as morning light streams in from windows overlooking a charming patio.

Master suite has a walk in closet & a ¾ bath. Detached, extra large garage could be a dream workshop.
